Carl C. Kratzenstein, manager J. C. Tanner drug store, Santa Cruz, Cal., writes: "We have sold Folcy & Co.'s medicines for the past twenty years and have yet to hear our first complaint, or of a dissatisfied customer. Their remedies are pure, made as represented, and contain no injurious substances. On the contrary, our experience shows us that the company's aim has always been to make health giving and health maintaining remedies." Schramm-Johnson, Drugs.

Arrangements are being made for the prosecution of John Burch, the Ogden farmer, who was charged by officials of the State Humane society of having torn the tongue from his horse's mouth and afterward let the animal slowly die, after several days of suffering. Burch, according to the allegations, tied a rope by a half-hitch around the animal's lower jaw and then tring it to the back of a wagon allowed the abused horse to pull until its tongue was literally cut off.

Mrs. A. R. Tabor of Crider, Mo., had been troubled with sick headache for about five years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they have cured her. Sick headache is caused by a disordered stomach for which these tablets are especially intended. Try them, get well and stay well. Sold by all dealers. (Advertisement)
